The Physicians at Dothan Specialty appreciate your confidence in choosing us to provide for your health care needs. Our services imply a financial responsibility on your part – an obligation to ensure payment in full of our fees. We would like to share our financial policies with you since a clear understanding of our financial polices is an important component of our professional relationship.

Methods of Payment

We will bill your insurance as a courtesy to you with a copy of your current insurance card, which must be presented at each visit. If you do not have your insurance card, payment is due at the time of service. For your convenience, we accept cash, check, and credit cards. Please note that there is a \$25 charge for checks returned by the bank.

Participation with Insurance & Medicare

The Affiliated Specialties of Dothan Specialty Clinic participate with Medicare, as well as many PPO plans, which means that we accept assignment of benefits. If payment is not received from your insurance carrier within our contract limits, any balance will be your responsibility. If we do not have a contract with your insurance company, you are responsible for payment in full and considered to be Self-Pay. Payment is due at the time of service; we will supply you with a superbill to submit to your insurance company for direct reimbursement.

Medicare: As a Medicare patient, you are responsible for your deductible and for the difference between the approved charge and the amount Medicare pays. If you have supplemental insurance with a company with whom we are contracted, we will bill your secondary insurance for you. Any remaining balance will be billed to you.

PPO Plans: As a component of our contracts, we collect co-payments for every visit. If you have not met your deductible, we will ask that you pay what remains of your deductible. You will receive a statement for the remaining balance after your insurance plan process your claim.

No Show Fees

Please note that we may find it necessary to charge a NO Show fee of \$25 if you do not give at least a 24 hour notice when canceling your appointment or if you do not show for your appointment. Cancellation in advance allows your appointment time to be offered to other patients who may have urgent healthcare needs.

Our Fees

We are committed to provide the best treatment possible for our patients and we charge what is usual and customary for our area. If we do not have a contract with your insurance company, you are responsible for payment in full regardless of any insurance company’s arbitrary determination of rates. Co-payments, co-insurance, and deductibles, or unpaid balances are due at the time of service. If the copay is not paid in full at the time of check in, a fee of \$3.00 may be added to your account.

Fees for Completion of Forms

There is a minimum charge of \$20 to complete forms such as disability or FMLA forms.

Collection Fees

I agree that the fees charged for services provided by the Affiliated Specialties of Dothan Specialty Clinic constitute a valid and lawful debt obligation. If I fail to pay the debt and my account is referred to a collection agency or an attorney, I agree that, in addition to the debt for the services provided, I will be responsible for the payment of a collection agency fee of 33% of the debt as well as any attorney’s fees, court costs and expenses. I waive now and forever my right of exemption under the laws of the constitution of the State of Alabama, and any other State. Additionally, if I reside in Florida, I agree to waive my rights to any exemption that would prohibit a wage garnishment should same become necessary to secure payment of any outstanding balance. By signing below, I consent to the foregoing terms and affirmatively acknowledge that I have read the foregoing before signing below.
